

RDA Index welcomes 100+ new assets from the top 500 by marketcap

From the 1st of November 2021 we will reconstitute the RDA Index by adding a total of 103 new assets. The RDA Index constituents was last updated on the 1st of May 2021. Since then, we have been busy optimising RDA algorithms for resilience and scale. We are pleased to announce that we can now onboard hundreds of new assets in minutes!

Please note that Index reconstitution may affect future ranking and rating of cryptoassets within the RDA Index. Click [here](#) to see a list of newly onboarded assets.
